

## Free Content Management

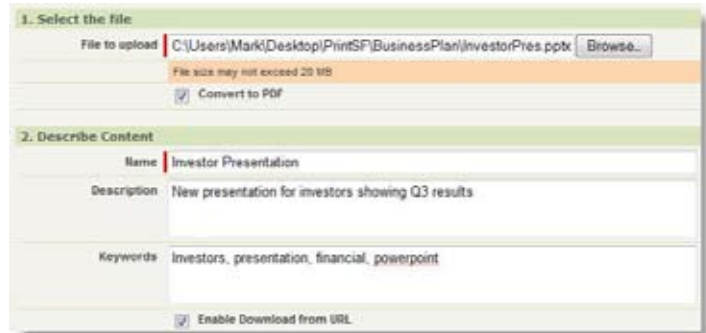

### 5 GB's Storage. Unlimited Users. Zero Cost.

Does your value proposition change faster than your print and marketing collateral? Can you publish, share, print, ship and mail collateral in minutes, or does it take days, weeks or longer?

Print Sf's Free Content Manager delivers a feature-rich collateral management portal that streamlines how you publish, share, print and mail marketing collateral. Salesforce customers enjoy 5GB of FREE storage to publish and share collateral, presentations or any file. Use it team-wide for free, with optional print & mail fulfillment on-demand.

- Easily download or email sales collateral
- Include links to white papers or any content in Salesforce email template, public knowledgebase solutions or in any web page
- Give realtime access to always current materials to your team - 24/7

1. Select the file  
File to upload: C:\Users\Mark\Desktop\PrintSf\BusinessPlan\InvestorPres.pptx [Browse...]  
File size may not exceed 20 MB  
 Convert to PDF

2. Describe Content  
Name: Investor Presentation  
Description: New presentation for investors showing Q3 results  
Keywords: Investors, presentation, financial, powerpoint
